

***J Street National Conference – October 24-27, 2009
Information Meeting***

WHAT IS J STREET?

J Street was founded to promote meaningful American leadership to end the Arab-Israeli and Palestinian-Israel conflict peacefully and diplomatically. We support a new direction for American policy in the Middle East and a broad public and policy debate about the U.S. role in the region.

WHAT IS THIS INFO MEETING ALL ABOUT?

The goal of this meeting is to educate students about J Street, their strategy in Washington and to provide information about their inaugural national conference in October 2009. J Street has made registration subsidies available for up to 250 students from across the country and we'd love you to be there! So stop by the info meeting and don't miss your chance to have a Q & A with J Street Executive Director Jeremy Ben-Ami!
